

## INTRODUCING A PARTNERSHIP WITH SNUGGIE

Dearest Supporter,

I want to personally thank you again for your ongoing support of Fhfinow.org. Our yearly goal of assisting 2000 young ladies in India with schooling opportunities is almost completed and we wanted to update you on a partnership that will help us immediately in reaching our newest financial goal for 2013.

Fhfinow.org has had an opportunity to not only provide you with an outstanding service, but one that benefits our organization as well. Snuggie.com

Out of appreciation for your continued support in our cause, Snuggie.com's owners are giving us a 50% discount on their product (*regularly \$30 a person*) and generously donating 50% of the purchase price to Fhfinow.org as well!

With each purchase of a Snuggies blanket, we are that much closer to reaching our goal in 2013. The best part is that this is an INSTANT donation to Fhfinow.org. There is no waiting period of 30 to 90 days. These transactions are instantaneous so we can immediately help our friends in India.
